## POWER BREAKING DIVISION

### Board Breaking:

	9 & Under	10-11yrs	12-13yrs	14-17yrs	18+yrs	Hand or Foot Break?
Green / Purple Belt	X	X	X	X	X	Yes
Blue / Brown Belt	X	X	X	X	X	Yes
Red Belt	X	X	X	X	X	Yes
Black Belt	X	X	X	X	X	Yes

- All contestants will be the rank of Green Belt or its equivalent and above.
- Divisions will be broken up into male or female
- All contestants must complete the online registration and waiver to compete.
- All contestants must be registered for **this event on or before 6/17/23 by midnight**. After this date, registration will be closed.
- Contestants will report the amount of material they intend to break during the online registration. There will be no changes allowed once registration is **closed on 6/17/23 by midnight**. This information will be kept confidential.
- Contestants are to wear a Taekwondo uniform that is clean and in good condition.
- All breaking material will be provided by the tournament.
- All breaks will be held in holding device (ages 14 and up) that will be provided by the tournament.
- Breaking with the elbow is not allowed and not considered as a hand technique.
- Contestants must break with a bare foot or hand and not covering the contact point with bandage or any other material. In addition, wrapping the wrist will be allowed as a safety device for either hand technique division.
- Contestants must break on first attempt. If the contestant fails to break on the first attempt, they will be eliminated. Or if a contestant makes a choice to practice their technique within the 30 second time limit and touches the material. That point of contact will be considered their first attempt at the break.
- The referee will check with the contestant to make sure that they are ready before signaling the timekeeper. Once the timekeeper is signaled the contestant will have 30 seconds to complete the break. Contestants may practice their technique before breaking but may only start practicing once the time has started. If the contestant exceeds the 30 second time limit they will be allowed to complete the break, but will be disqualified.
- Boards will not be used once they have been struck by a contestant.
- Competitors can drop boards at the ring. However, this will result in a loss of points for the number of boards that they choose to drop. For example, if they select 4 boards and choose to drop 1 board and break all remaining 3 pcs. They will be scored on 3 pcs, which results in 15 out of 20 points for a foot technique or 24 out of 32 points for a hand technique.

### Types of breaking divisions:

**Hand and Foot board breaks will compete against each other with points awarded to each type of break. See the scoring chart for the point system.**

Breaking Type	Material Type & Size	Board Size by Age	System	Safety Gear	Contest Goal
Hand Technique, <i>any point below the wrist</i>	1/2" x 9 7/8" x 11 1/4" Board	11 and under	Single Elimination	Wrist wrap is optional	Contestant will break their maximum number of boards.
Kicking Technique, <i>any point below the ankle</i>	1/2" x 9 7/8" x 11 1/4" Board	11 and under	Single Elimination	None	Contestant will break their maximum number of boards.
Hand Technique, <i>any point below the wrist</i>	3/4" x 9 7/8" x 11 1/4" Board	12 and older	Single Elimination	Wrist wrap is optional	Contestant will break their maximum number of boards.

*Competitor's age 14 and older will utilize the board holding machine.*

Kick, Board, <i>any point below the ankle</i>	5 points for each piece of completely broken material.	Percentage of broken material* and/or the individual of lesser weight.
*Example, Competitor A, selects 4 boards and breaks 3, which is 75% of the material selected. Competitor B selects 5 boards and breaks 3, which is 60% of the material selected. Then Competitor A wins because they broke 15% more of the material.		

**Determination of the Winner:**

- The material will be counted by the referee and then reported to the judges by holding up the number of fingers that represents the number of broken materials.
- If there is a questionable piece of material the official or referee will hold the item up to see if it separates on its own. If it remains attached, then this will not be counted as completely broken material.

**Grounds for Disqualification:**

- Judges will have the final determination of the intent and integrity of the break.
- Pressing down or application of an after push to the material with the contestant's body weight which will be determined by the referee.
- Unsportsmanlike like conduct. For example: if the contestant is questioning or arguing with officials they will be disqualified.
- Contestants failing to follow instructions by the referee or judges will be disqualified.
